- 2) A count of all the vehicles used by non-commissioned personnel assigned to an administrative function whether or not they are authorized to drive the vehicle home.
- 3) A total fleet count of all non-B&W vehicles, including those issued to law enforcement personnel.

Alternatively, please provide a more detailed description of the records you are seeking regarding item 4 of your request. If we do not hear back from you within ten business days, we will assume you no longer want these records and will close our file.
